On November 12, 2024, Agenda Item #16.D.4, Collier County ARP Recovery Plan Amendment #10 was approved by the Board of County Commissioners. Recovery Plan 10 summarizes projects, prioritized by the County, for the County's use of American Rescue Plan Act (ARPA), U.S. Treasury State and Local Fiscal Recovery Funds ("SLFRF").

On November 19, 2024 Collier County ARP Recovery Plan Amendment #11 was executed by the County Manager to reallocate \$700.00 from Community Foundation of Collier County, Inc. (EC 2.34, CC 1.2) to Administration (EC 7.1).

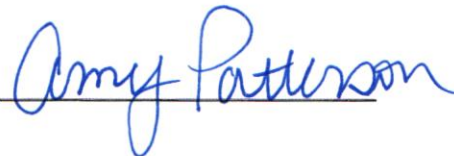

This memo is to request the approval of Amendment #12 to the Recovery Plan that would consist of the re-allocation of \$49,300.00 from EC 2.2 Project CC 1.1 "Affordable Housing – Mortgage and Rent" to E.C 2.1 Project CC 4.3 "Collier County Museums: Immokalee Pioneer Museum".

Per Collier County's American Rescue Recovery Plan (Page 96), all plan amendments will be routed to the County Manager for approval with the understanding that those amendments entailing re-allocations of under \$50,000.00 will be handled administratively.
