B. Purpose of the program:

- To meet the housing needs of the very low, low, and moderate-income households;
- To expand production of and preserve affordable housing; and
- To further the housing element of the local government's comprehensive plan specific to affordable housing.

C. Fiscal years covered by the Plan: 2025-2026, 2026-2027, 2027-2028

D. Governance: The SHIP Program is established in accordance with Section 420.907-9079, Florida Statutes and Chapter 67-37, Florida Administrative Code. Cities and Counties must be in compliance with these applicable statutes, rules, and any additional requirements as established through the Legislative process.

E. Local Housing Partnership: The SHIP Program encourages building active partnerships between government, lending institutions, builders and developers, not-for-profit and community-based housing providers and service organizations, providers of professional services related to affordable housing, advocates for low-income persons, real estate professionals, persons or entities that can provide housing or support services, and lead agencies of the local continuums of care.

F. Leveraging: The Plan is intended to increase the availability of affordable residential units by combining local resources and cost-saving measures into a local housing partnership and using public and private funds to reduce the cost of housing. SHIP funds may be leveraged with or used to supplement other Florida Housing Finance Corporation programs and to provide local match to obtain federal housing grants or programs.

G. Public Input: Public input was solicited through face-to-face meetings with housing providers, social service providers, local lenders, and neighborhood associations. Public input was solicited through the local newspaper in the advertising of the Local Housing Assistance Plan and the Notice of Funding Availability.

H. Advertising and Outreach: SHIP funding availability shall be advertised in a newspaper of general circulation and periodicals serving ethnic and diverse neighborhoods, at least 30 days before the beginning of the application period. If no funding is available due to a waiting list, no notice of funding availability is required. For advertisements other than NOFAs, the County will accept applications during the dates specified in the advertisement distributed via the County website, email, or via the County procurement office.

I. Waiting List/Priorities: A waiting list will be established when there are eligible applicants for strategies that no longer have funding available. Those households on the waiting list will be notified

of their status. Applicants will be maintained in an order that is consistent with the time completed applications were submitted as well as any established funding priorities as described in this plan.

Applications will be accepted and approved on a first come, first-qualified basis with priority given to households with a special needs occupant, or other priorities that may be deemed by the program grantor, Florida Housing Finance Corporation.

When funds are available for a strategy, the applicants from the waiting list will be contacted to complete/update the application for SHIP assistance. Applicants will be placed in the queue for assistance once they have provided all required documentation and been deemed SHIP eligible.

Once there is a list of eligible applicants, they will be ranked in the following order. The following priorities for funding listed here apply to all strategies unless otherwise stated in an individual strategy in Section II:

<p>RANKING PRIORITY</p> <p>1. Special Needs Households –persons with special needs as defined in 420.0004 (13)</p> <p>a) Very low</p> <p>b) Low</p> <p>c) Moderate</p> <p>2. Essential Services Personnel</p> <p>a) Very Low</p> <p>b) Low</p> <p>c) Moderate</p> <p>3. After Special Needs Set-asides and after ESP applicants</p> <p>a) Very Low</p> <p>b) Low</p> <p>c) Moderate</p>

- J. **Discrimination:** In accordance with the provisions of ss.760.20-760.37, it is unlawful to discriminate on the basis of race, color, religion, sex, national origin, age, handicap, or marital status in the award application process for eligible housing.
- K. **Support Services and Counseling:** Support services are available from various sources. Available support services may include but are not limited to: Homeownership Counseling (Pre and Post), Credit Counseling, Tenant Counseling, and Foreclosure Counseling.
- L. **Purchase Price Limits:** The sales price or value of new or existing eligible housing may not exceed 90 percent (90%) of the average area purchase price in the statistical area in which the eligible housing is located. Such average area purchase price may be calculated for any 12-month period beginning not earlier than the fourth calendar year prior to the year in which the award occurs. The sales price of new and existing units can be lower but may not exceed 90 percent (90%) of the average area purchase price established by the U.S. Treasury Department or as described above.

The methodology used is:

U.S. Treasury Department	X
Local HFA Numbers	

- M. Income Limits, Rent Limits and Affordability:** The Income and Rent Limits used in the SHIP Program are updated annually by the Department of Housing and Urban Development and posted at www.floridahousing.org.

“Affordable” means that monthly rents or mortgage payments including taxes and insurance do not exceed 30 percent of that amount which represents the percentage of the median annual gross income for the households as indicated in Sections 420.9071, F.S. However, it is not the intent to limit an individual household’s ability to devote more than 30% of its income to housing, and housing for which a household devotes more than 30% of its income shall be deemed Affordable if the first institutional mortgage lender is satisfied that the household can afford mortgage payments in excess of the 30% benchmark and in the case of rental housing does not exceed those rental limits adjusted for bedroom size.

- N. Welfare Transition Program:** Should an eligible sponsor be used, a qualification system and selection criteria for applications for Awards to eligible sponsors shall be developed, which includes a description that demonstrates how eligible sponsors that employ personnel from the Welfare Transition Program will be given preference in the selection process.
- O. Monitoring and First Right of Refusal:** In the case of rental housing, the staff and any entity that has administrative authority for implementing the local housing assistance plan assisting rental developments shall annually monitor and determine tenant eligibility or, to the extent another governmental entity provides periodic monitoring and determination, a municipality, county, or local housing financing authority may rely on such monitoring and determination of tenant eligibility. However, any loan or grant in the original amount of \$10,000 or less shall not be subject to these annual monitoring and determination of tenant eligibility requirements. Tenant eligibility will be monitored annually for no less than 30 years or the term of assistance whichever is longer unless as specified above. Eligible sponsors that offer rental housing for sale before 30 years or that have remaining mortgages funded under this program must give a first right of refusal to eligible nonprofit organizations for purchase at the current market value for continued occupancy by eligible persons.
- P. Administrative Budget:** A line-item budget is attached as [Exhibit A](#). The city/county finds that the moneys deposited in the local housing assistance trust fund is necessary to administer and implement the local housing assistance plan.

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, states: *“A county or an eligible municipality may not exceed the 5 percent limitation on administrative costs, unless its governing body finds, by resolution, that 5 percent of the local housing distribution plus 5 percent of program income is insufficient to adequately pay the necessary costs of administering the local housing assistance plan.”*

Section 420.9075 Florida Statute and Chapter 67-37, Florida Administrative Code, further states: *“The cost of administering the program may not exceed 10 percent of the local housing distribution plus 5 percent of program income deposited into the trust fund, except those small counties, as defined in s. 120.52(19), and eligible municipalities receiving a local housing distribution of up to \$350,000 may use up to 10 percent of program income for administrative costs.”* The applicable local jurisdiction has adopted the above findings in the resolution attached as [Exhibit E](#).

Q. Program Administration: Administration of the local housing assistance plan will be performed by:

Entity	Duties	Admin. Fee Percentage
Local Government	Collier County Government	10%
Third-Party Entity/Subrecipient		

R. First-time Homebuyer Definition: For any strategies designed for first-time homebuyers, the following definition will apply: *An individual who has had no ownership in a principal residence during the 3-year period ending on the date of purchase of the property. This includes a spouse (if either meets the above test, they are considered first-time homebuyers). A single parent who has only owned a home with a former spouse while married. An individual who is a displaced homemaker and has only owned with a spouse. An individual who has only owned a principal residence not permanently affixed to a permanent foundation in accordance with applicable regulations. An individual who has only owned a property that was not in compliance with state, local, or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure.*

S. Project Delivery Costs: Project Delivery: In addition to the administrative costs listed above, the County or Sponsor will charge a project delivery fee of no more than 5 percent (5%) to cover inspections and other eligible project delivery activities performed by County or non-county employees. This fee will be included in the maximum award to the applicant.

For Owner-Occupied Rehabilitation, Demolition, and Replacement of Manufactured Homes and Emergency Housing Repair & Housing Resilience, project delivery costs may cover, but are not limited to, the following activities: inspections, work write-ups, recording fees, application and processing fees, development of assessments, and cost estimates. The project delivery fee is a flat fee fixed price and is not attributable towards a Sponsor’s employee’s salary time and does not require additional documentation to support payment.

T. Essential Service Personnel Definition (ESP): Collier County defines Essential Service Personnel as follows: Those individuals employed in the community as teachers, educators, other school district employees, community college and university employees, police and fire personnel, health care personnel, skilled building trades personnel, and government employees.

U. Describe efforts to incorporate Green Building and Energy Saving products and processes: The County will, when economically feasible, employ the following Green Building requirements on rehabilitation and emergency repairs:

All housing rehabilitation and new construction will incorporate “green” standards including but not limited to:

- Appliances replaced or installed shall be Energy Star.
- Doors and/or windows replaced or installed shall be Energy Star;
- Any lighting fixture replaced or installed shall be Energy Star;
- Weatherization shall be incorporated into all homes rehabilitated including but not limited to weatherization of the attic; floor insulation, if appropriate; and sealing of exterior walls. New construction is presumed to meet the minimum insulation and sealing requirements.

Any replaced or new HVAC unit shall have a SEER rating of at least 14.

These requirements may be adjusted for rental developments if the requirement of other construction funding sources requires a more prescriptive list.

Innovative design, green building principles, storm-resistant construction, or other elements that reduce long-term costs relating to maintenance, utilities, or insurance may be encouraged.

Homeownership Education classes provide a curriculum on cost-cutting measures that homeowners can use to reduce energy consumption. Collier County also encourages the use or inclusion, when appropriate, of the following: energy star appliances; Low-E windows; additional insulation (for increased R-Value); ceramic tile; tank-less water heater; 14 and 15 SEER air conditioning units; stucco; LED light bulbs; impact resistant windows and doors.

V. Describe efforts to meet the 20% Special Needs set-aside: Prioritization of funding will include all strategies for persons with special needs, with an emphasis on rental programs and rehabilitation. Outreach for clients will include marketing to a variety of agencies, including but not limited to, the Agency for Persons with Disabilities, United Cerebral Palsy, Community Assisted and Supported Living, etc. Additionally, advertisements in publications of general circulation may also be used.

W. Describe efforts to reduce homelessness: Collier County supports the Continuum of Care (CoC) efforts to simplify and broaden outreach and assessment for homeless persons in the County. Much of the outreach to homeless persons is conducted at community events such as the Point in Time Count. Additionally, outreach is conducted by the many caseworkers at community agencies, the SW Florida Coalition on Homelessness, schools, and other not-for-profit social service entities that encounter the homeless during service delivery or during their regular course of business. Needs are assessed during these points of contact, and referrals are made as appropriate for shelter, food, counseling, or other needs. The County works closely with various agencies and local resources utilizing federal ESG and State SHIP funds.

If a superior mortgage holder accelerates the loan or forecloses upon the home, the County will attempt to obtain repayment of funds via the legal process if the County determines that adequate funds may be available to justify pursuing repayment.

f. Recipient Selection Criteria:

1. Applicants will be ranked for assistance based first on priorities established in part “I” of the first section of this plan and then on a first-qualified, first-served basis.
2. CLT homebuyers must complete a homebuyer education class that contains a community land trust component and/or session with the CLT in addition to a homebuyer education class that requires CLT buyers to demonstrate and attest to a clear understanding of the terms of community land trust homeownership.
3. First mortgage lender approval, if applicable.

g. Sponsor Selection Criteria: Applications from potential sponsors/CLTs will be reviewed on an ongoing basis. The criteria to select sponsors may include, but is not limited to, the following:

1. Community land trusts that meet the definition of a “community land trust” under section 193.018 of the Florida Statutes. Preference will be given to CLTs who have been certified or are in the process of certification by the Florida Community Land Trust Institute.
2. Quantity and quality of experience in affordable housing development;
3. Experience in developing and/or stewarding CLT homes for permanent affordability;
4. Financial strength of the sponsor, including the ability to leverage funds from other sources;
5. Ability of the sponsor to complete the project by deadlines established by the City/County; and
6. Capacity of the sponsor; and
7. Contract for sale/conveyance or site control.

h. Additional Information:

Subsidy for the acquisition, development, construction and rehabilitation of units, new or existing, will be awarded at the maximum amount to reduce the base price dollar-for-dollar for initial and subsequent homebuyers via the CLTs stewardship of the ground lease.

This type of assistance may first require that the CLT take ownership of the property (land & existing improvements) and sell the improvements and enter into a ground lease with the eligible buyer.

Please see Exhibit K for additional instructions and information for CLT purchases.

Section III. LHAP Incentive Strategies

In addition to the **required Incentive Strategy A and Strategy B**, include all adopted incentives with the policies and procedures used for implementation as provided in Section 420.9076, F.S.:

A. Expedited Permitting

Permits as defined in s. 163.3177 (6) (f) (3) for affordable housing projects are expedited to a greater degree than other projects.

Provide a description of the procedures used to implement this strategy: The Collier County Board of County Commissioners approved an AHAC recommended Incentive Strategy to expedite the development review process for qualified affordable workforce housing. Expedited Permitting, or Fast Track, was amended via Resolution 2018-40.

Initially, a qualification meeting is held with the developer/agent and Community and Human Services (CHS) staff to determine if the project meets the affordable housing requirements outlined in Res. 18-40. Those projects that demonstrate compliance are issued a certificate of affordable housing to allow the expedited review process for all aspects of the development. Planning and Zoning staff will provide expedited status by assisting these developments first throughout the process from application through Certificate of Occupancy.

B. Ongoing Review Process

An ongoing process for review of local policies, ordinances, regulations, and plan provisions that increase the cost of housing prior to their adoption.

Provide a description of the procedures used to implement this strategy: Collier County requires all items that have the potential to increase the cost of housing to be prepared and presented to the Collier County Board of County Commissioners with the amount of the increase or decrease identified in the executive summary. The executive summary must be prepared in official County format and include a description of the Growth Management Impact and the Fiscal Impact.

The process, by which items are prepared for the BCC Agenda includes a vast approval hierarchy to ensure that all proposed actions impacting affordable housing are reviewed on an ongoing basis. Furthermore, the Collier County Affordable Housing Advisory Committee (AHAC) regularly forms subcommittees to review impediments to affordable housing, as well as new affordable housing incentives.

C. Other Incentive Strategies Adopted:

1. Increased Density for Affordable Housing – Collier County allows developers to request increased density when including a certain percentage of affordable housing in the proposed development.

An Affordable Housing Density Bonus Agreement must be submitted and approved by the Collier County Board of County Commissioners as provided for in the Collier County Land Development Code, § 2.06.00. Improvements to the Affordable Housing Density Bonus (AHDB) program were approved via Ordinance 2019-02.

2. Inventory of Locally Owned Public Lands Suitable for Affordable Housing.
Collier County prepares an inventory of all real property owned by Collier County that may be appropriate for use as affordable housing in accordance with Sec. 125.379 F.S. every three years.

The Collier County Board of County Commissioners approved an AHAC recommended Incentive Strategy to permit properties identified as appropriate for use as affordable housing to be offered for sale and the proceeds used to purchase land for the development of affordable housing, or to increase the local government fund (Housing Trust Fund)

earmarked for affordable housing, or may be sold with a restriction that requires the development of the property as permanent affordable housing, or may be donated to a nonprofit housing organization for the construction of permanent affordable housing.

INTERLOCAL AGREEMENT

STATE HOUSING INITIATIVES PARTNERSHIP PROGRAM

THIS INTERLOCAL AGREEMENT (the "Agreement") made and entered into this 8 day of April, 2025, by and between Collier County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, and the City of Naples, a municipal corporation created and existing under the laws of the State of Florida, acting by and through its City Council.

WITNESSETH:

WHEREAS, Section 420.9072, et seq., Florida Statutes (the "State Housing Initiatives Partnership Program" ("SHIP")), authorizes monies in the Local Government Housing Trust Fund (the "Fund") to be distributed to approved counties and eligible municipalities within the county pursuant to an Interlocal Agreement; and

WHEREAS, Collier County is an approved county and the City of Naples is an eligible municipality within Collier County; and

WHEREAS, the parties desire to jointly utilize SHIP allocations pursuant to this Agreement; and

WHEREAS, the parties have determined that SHIP funds can be more efficiently utilized and managed when the parties work cooperatively to address the community's affordable housing needs.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, the parties agree as follows:

1. The County and City do hereby agree that the SHIP Program funds as allocated in Section 420.9073, Florida Statutes, are to be distributed to Collier County to administer in conformity with the mutually approved Local Housing Assistance Plan.

EXHIBIT G

2. Unless earlier terminated pursuant to other provisions of this Interlocal Agreement, the term of this Agreement shall run concurrent with the three-year Local Housing Assistance Plan (the "LHAP") which expires June 30, 2028 and will be automatically renewed with adoption of subsequent LHAPs.

3. The County and City direct the Florida Housing Finance Corporation (the "Corporation") to distribute and allocate the SHIP Program funds in accordance with this Agreement and authorize the Corporation to rely on their stated intent and their authority to execute this Agreement.

4. The SHIP Program funds so distributed will be deposited in a single depository trust fund account created and managed by Collier County, Finance Division of the Office of the Clerk of the Circuit Court. This account shall be known as the Collier County Local Housing Trust Fund (hereinafter referred to as "Local Fund"), to which SHIP funds are distributed by the Corporation. The Corporation will be notified of any change in the Local Fund status and the parties agree to have such Local Fund audited annually as required by Chapter 420, Florida Statutes and Chapter 67-37, Florida Administrative Code. Since all distributions from the Local Fund shall be processed by Collier County, parties hereto agree that the Comprehensive Single Entity Audit of the accounts and records of the County with respect to SHIP revenues and expenditures shall constitute the audit for the Interlocal Entity as described in the SHIP Regulations. The parties hereto agree that the Local Fund may be allocated a pro-rata cost of the independent audit by the County.

5. During the term of this Agreement, both parties agree that they will not do anything to jeopardize the other party's right to receive its allocation from the Local Fund.

6. Membership to the Affordable Housing Advisory Committee shall be jointly appointed by Resolution of both the County and City to triennially prepare a joint Local Housing Incentive Plan as required by Chapter 420.9076, Florida Statutes.

7. The parties to this Agreement have adopted incentives from the Affordable Housing Incentive Plan as prepared and submitted by the joint Affordable Housing Advisory Committee, amending the Local Housing Assistance Plan accordingly. Both parties understand that Chapter 420, Florida Statutes requires continuing monitoring and implementation of the Affordable Housing Incentive Plan for the purpose of enhancing and providing affordable housing

and agree to cooperate in ensuring that the requirements and spirit of the Chapter 420, Florida Statutes is satisfied.

8. Neither party shall use any revenues distributed and allocated for purposes other than those authorized by Section 420.907 et seq., Florida Statutes, or Chapter 67-37, Florida Administrative Code.

9. During the term of this Agreement, any party may give the other party ninety (90) days written notice that it wishes to renegotiate the terms of this Agreement, to be effective on the first day of the next fiscal year. If the parties fail to reach a new agreement prior to the commencement of the next fiscal year, this Agreement shall terminate and be of no further force or effect, and the funds shall be allocated according to population pursuant to Section 420.9072 and Section 420.9073, Florida Statutes.

10. If either party shall cease to be eligible for allocation and distribution, such party's allocation of the funds shall remain in the Local Fund to be used by the Corporation. Both parties acknowledge the SHIP enabling legislation, the rules promulgated to implement same, and that the Chapter 420, Florida Statutes and Chapter 67-37, Florida Administrative Code are incorporated herein as if they were restated.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized officials.

Additional Instructions and Information for Assistance for Community Land Trust Homes

To qualify, homes must be acquired/developed by a city/county-approved community land trust (CLT) that meets the definition of a “community land trust” under section 193.018 of the Florida Statutes. The CLT will execute a 99-year ground lease with the homebuyer. A memorandum of that ground lease is recorded in the public records immediately following the deed. The terms of the ground lease restrict the resale of the property to an income-eligible household and provide a right of repurchase to the CLT in the event of default. The CLT must approve the subsequent homebuyer. In the event of a default, the CLT must notify the City/County whether it intends to exercise its right of repurchase. In the event the CLT is not willing or able to exercise its right of repurchase, it shall transfer its right of repurchase to City/County, giving City/County the right, but not the obligation, to purchase the property.

Development assistance shall be treated as a cost pay-down to further reduce the sales price to the homebuyer. The assistance amount on a CLT home shall be separated from the Base Price and Formula Price as defined in the ground lease. The balance of the assistance must be included in the Purchase Option Price as defined in the ground lease to repay the funds to the City/County in the event of default. At the end of the loan term, the loan will be forgiven, and the lien released. However, the CLT ground lease will remain in effect and the subsidy as well as the requirements for residency, resale price, and subsequent buyer’s income eligibility will continue. The CLT may request satisfaction of a loan and release of the lien during the term of the loan on behalf of a homeowner or seller, and under certain defined circumstances, with approval granted by the City/County on a case-by-case basis.

When selling a CLT home, the seller must notify the CLT. The CLT will then enter into a purchase and sale agreement with the seller, that will get assigned to the subsequent homebuyer who will execute an [Assumption Agreement or new loan with identical terms and/or ground lease]. The Purchase Option Price for the CLT will be calculated as follows:

Purchase Option Price = Formula Price + Payoff Amount of Deferred Payment Loans

Until the recipient loan is forgiven, the Formula Price is calculated using a Base Price calculated by subtracting the amount of SHIP assistance from the purchase price. The assistance on the improvements is included to lower purchase price. For example:

Purchase Price: \$335,000
MINUS Assistance Provided as buy down (maximum): \$100,000
EQUALS Base Price (sales price) for first buyer: **\$235,000**

The base price is the amount the buyer would need to finance (plus transaction costs) and is used to calculate the Formula Price in the ground lease.

Suppose the Formula (re-sale) Price in the ground lease is calculated by a 1% annual increase to the Base Price, compounded. Suppose the home is sold after 5 years. To calculate the Purchase Option Price (price that will go in the purchase and sale agreement between the CLT and the seller), first calculate the Formula Price:

Formula Price = Base Price x Compound Rate

Calculated as follows:

Year 1 = \$235,000 x 1.01 = \$237,350
Year 2 = \$237,350 x 1.01 = \$239,723.50
Year 3 = \$239,723.50 x 1.01 = \$242,120.74
Year 4 = \$242,120.74 x 1.01 = \$244,541.95
Year 5 = \$244,541.95 x 1.01 = \$246,987.37

Formula Price = \$246,987

Purchase Option Price = \$246,987 + \$100,000 = \$346,987

The price to the subsequent buyer equals the Purchase Option price minus any down payment assistance (development assistance already included in the lower initial purchase price):

Purchase Option Price:	\$346,987.37
DPA assumed:	<u>- \$100,000</u>
Sales price for subsequent buyer:	\$246,987.37 (New Base Price for Formula Price)

The new price should be affordable to the subsequent buyer without additional subsidy.

At the end of the loan term, the value of the Purchase Option Price will be equal to the Formula Price; however, funds will remain as a direct subsidy of the unit via the CLT and its administration of a ground lease.
