Approximately 100% of the total allocation will benefit the homeless or individuals/families that are at risk of homelessness.

The Consolidated Plan estimates that approximately \$17,965,000.00 in federal entitlement funds will be available over the five-year planning period. This estimate is based on projected annual allocations in the Annual Action Plan and is subject to adjustment based on actual funding levels received from the U.S. Department of Housing and Urban Development (HUD). These estimates are intended for planning purposes only and may be adjusted based on actual funding allocations received from the U.S. Department of Housing and Urban Development (HUD). Final awards will depend on Federal appropriations and approved federal budget.

Collier County will submit its 2026-2030 Consolidated Plan, 2026 Annual Action Plan and Citizen Participation Plan with the list of projects funded with 2026 CDBG, HOME, and ESG program to the Department of Housing and Urban Development (HUD) on or before August 16, 2026. The County is required to develop a Consolidated Plan to serve as the formal document to pursue established goals and objectives for all of its community planning and development projects and activities, including housing and economic programs. The Consolidated Plan is a five-year, long-range strategic plan submitted to HUD to identify, prioritize and address the County's housing and community development needs and to develop a map of the planned use of funds from all sources. The Annual Action Plan displays the annual allocation of funding by the County and is submitted to the U.S. Department of Housing & Urban Development as a prerequisite to receiving funds for the CDBG, HOME, and ESG program. The Citizen Participation Plan outlines how Collier County will involve the public in planning, implementing and assessing community programs.
