RE: Collier County Ordinance No. 23-27 & 23-28
2024 Annual Haven at North Naples Monitoring Checklist – Results

Dear Mr. Gelder,

On March 19, 2025, you were sent a written request to complete the Planned Unit Development (PUD) annual monitoring checklist for the above referenced Rental project. The purpose of this review was to determine compliance with the applicable Development Commitments, as outlined in Ordinance No 23-27 and to determine the progress and status of permits and construction of the affordable housing component of your organization's PUD.

Congratulations. County staff have reviewed your monitoring checklist and determined that you have submitted your PUD Affordable Housing annual report for the year 2024 in a compliant and timely manner.

During the period under review, construction has not yet commenced, and no permits have been issued. The total affordable units remaining to be constructed is 76.

Should you have any immediate questions regarding this monitoring, please feel free to contact me at (239) 257-5393 or Lisa.Weinmann@CollierCountyFL.Gov.

Sincerely,

Lisa Weinmann
